All Owners and other persons residing within the Properties, and their invitees, at all times will do all things reasonably necessary to comply with such rules and regulations. Wherever any provision of this Declaration restricts or prohibits any activity, condition or structure within the Properties except as permitted by the Association's rules and regulations, such restriction or prohibition is self-executing until the Association promulgates rules and regulations expressly permitting such activities. Without limitation, any rules or regulation will be deemed "promulgated" when mailed to all Owners at the address shown on the Association's books or when posted at a conspicuous place on the Properties from time to time designated by the Association for such purpose.

Section 12. Maintenance of Common Areas. The Association must repair, replace and maintain the roofs, gutters, downspouts, lawns, shrubs, landscaping, walks, fencing, exterior building surfaces, windows, doors, trim members, driveways, and other exterior improvements and attachments from time to time situated on the common area, including the side of a fence or wall for the common area which is located on the property. The Association has no duty of exterior maintenance with respect to any Lot; and, as more particularly provided in Article II, Section 10 hereinabove, each Owner must maintain such Owner's Lot, including any appurtenant driveways, in a safe, sanitary and reasonably attractive condition. If:

(a) any Owner refuses or fails to make any repairs, maintenance, or replacements required by Article II, Section 10, above; and

(b) as a result, any condition on or adjoining such Owner's Lot becomes a hazard or nuisance to any other Owner, or diminishes or impairs the value or marketability of any other Lot, or is visually objectionable to persons lawfully upon the Properties; and

(c) At least a majority of the members of the Board present and voting find that the Owner was provided reasonable notice of the failure of repair, maintenance or replacement and the Board's consideration thereof, and was given an opportunity to be heard by the Board;

then, upon the occurrence of all of the foregoing, the Association may make or perform such repairs, maintenance, or replacements as reasonably are necessary to correct such condition and assess all costs so incurred against such Owner's Lot as provided in Article V, Section 4, below.

Section 5. Services. The Association may obtain and pay for the services of any person to manage its affairs to the extent the Board deems advisable, as well as such other personnel as the Board determines are necessary or desirable for the proper operation of the Properties, whether such personnel are furnished or employed directly by the Association or by any person with whom

~~it contracts. Without limitation, the Board may obtain and pay for legal and accounting services necessary or desirable in connection with the operation of the Properties or the enforcement of this Declaration, or the Articles, By-Laws, rules and regulations.~~

Section 6. Rules and Regulations. As provided in the Bylaws, the Association, from time to time may adopt, alter, amend, rescind and enforce reasonable rules and regulations governing the use of the Properties, consistent with the rights and duties established by this Declaration. The Association's procedures for enforcing its rules and regulations at all times must provide the affected Owner with reasonable prior notice and a reasonable opportunity to be heard, in person, or through representatives of such Owner's choosing, or both.

Section 7. Capital Improvements. Except for replacement or repair of items installed by Declarant, if any, and except for any personal property related to the Common Area, the Association may not authorize capital improvements to the Common Area without the prior approval of two-thirds (2/3) of the Association Members present and voting in person or by proxy at a meeting duly convened for such purposes as provided in Article VI, Section 2, below.

Section 8. Amplification. The provisions of this Declaration may be amplified by the Articles of Incorporation and By-Laws of Bridgeford Oaks Homeowners Association, Inc., but no such amplification shall alter or amend substantially any of the rights or obligations of the Owners set forth in the Declaration, or any Supplemental Declaration. The Declarant intends that the provisions of this Declaration and any Supplemental or Amended Declaration, on the one hand, and the Articles of Incorporation and By-Laws on the other hand, be interpreted, construed and applied to avoid inconsistencies or conflicting results. If such conflict necessarily results, however, Declarant intends that the provisions of this Declaration, or any Supplemental or Amended Declaration, control anything to the contrary in the Articles of Incorporation or By-Laws.

Section 9. Termination of Association. If the Association ceases to exist, all of the Owners shall be jointly and severally

responsible for operation and maintenance of the Surface Water Management System facilities in accordance with the requirements of the Environmental Resource Permit, unless and until an alternate entity assumes responsibility.

**ARTICLE V
ASSESSMENTS**

Section 1. Assessments Established. For each Lot, Declarant covenants, and each Owner of a Lot by acceptance of a deed thereto, whether or not it is so expressed in such deed, is deemed to covenant and agree, to pay to the Association:

- i. An annual assessment, as provided in Section 2 of this Article; and
- ii. Special assessments, as provided in Section 3 of this Article; and
- iii. Specific assessments; as provided in Section 4 of this Article; and
- iv. All excise taxes, if any, that from time to time may be imposed by law upon all or any portion of the assessments established by this Article; and
- v. Interest and costs of collection of such assessments, including reasonable attorney's fees, as provided in this Declaration; and

All of the foregoing are a continuing charge on the Lot and secured by a continuing lien upon the Lot against which each assessment is made, as provided in Section 7, below. Each such assessment, together with excise taxes (if any), interest and all costs and expenses of collection, including reasonable attorney's fees, also is the personal obligation of the person who was the Owner of such Lot when such assessment became due. Such personal obligation will not pass to an Owner's successors in title unless

~~assumed expressly in writing, however.~~ **CERTIFIED COPY**

The annual or special assessments on Lots owned by the Declarant shall be fifty percent (50%) of the corresponding assessments for Lots owned by other Owners. As an alternative in lieu of such assessments, Declarant may pay the excess expenses of the Association, including reserves, which exceed the amounts collected from Class A lot assessments, as long as Class A annual assessments do not exceed \$500.00.

Section 2. Annual Assessment. The annual assessment shall be due on January 1 of each year. The annual assessment shall be used exclusively to promote the recreation, health, safety and welfare of the Owners and Occupants, including (i) the operation, management, maintenance, repair, servicing, renewal, replacement and improvements of the Common Area required to be maintained by the Association, including the Surface Water Management System Facilities, monitoring and maintenance of any wetland mitigation areas until the Southwest Florida Water Management District determines that the area is successful in accordance with the Environmental Resource Permit, and the establishment of reserve accounts for all such items; and (ii) the cost of labor, equipment, materials, management and, supervision of the Common Area required to be maintained by the Association; and (iii) all other general activities and expenses of the Association.

Section 3. Special Assessments for Working Capital Fund, Nonrecurring Maintenance and Capital Improvements. In addition to the annual assessment authorized above, the Association may levy special assessments as follows:

- a. Upon sale of the first Lot by the Declarant to a third party, a special assessment for a working capital fund, equal to twelve (12) months' estimated regular assessment may be assessed which shall be due and payable upon conveyance of each Lot to a third party. The aggregate working capital fund established by such special assessment shall be accounted for separately, and shall be available for all necessary expenditures of the

Association.

- b. In an assessment year, a special assessment (in addition to the annual assessment or the assessment provided in subsection (a) above) which is applicable to that year only for the purpose of defraying, in whole or in part, the cost of any nonrecurring maintenance, or the acquisition, construction, reconstruction, repair or replacement of a capital improvement upon the Common Area required to be maintained by the Association, including fixtures and personal property related thereto may be assessed. The Association shall separately account for the proceeds of such special assessments and proceeds shall be used solely and exclusively to fund the nonrecurring maintenance or improvements in question, provided such assessment first is approved by a majority of the Members present and voting in person or by proxy at a meeting duly convened for such purpose. Any such special assessment shall be due on the date fixed by, and may be payable in one or more installments (with or without interests), as the Board determines.

Section 4. Specific Assessments. Any and all accrued, liquidated indebtedness of any Owner to the Association arising under the provision of this Declaration, or by contract expressed or implied, or because of any act or omission of any Owner or person for whom such Owner is responsible, also may be assessed by the Association against such Owner's Lot after such Owner fails to pay it within thirty (30) days after written demand.

Section 5. Amount. Until the close of the first fiscal year following Declarant's conveyance of the first Lot, and subject to the provisions of the paragraph below, the annual assessment will not exceed \$230.00 per Lot. At least thirty (30) days before the end of each fiscal year, the Board shall prepare and distribute to each Owner a proposed budget for the Association's operations during the next ensuing fiscal year. If such budget requires an

CERTIFIED COPY

annual assessment of one hundred fifteen percent (115%) or less of the annual assessment for the fiscal year then ending, the assessment so proposed shall take effect at the commencement of the next ensuing fiscal year without further notice to any Owner. However, if such budget requires an annual assessment that is more than one hundred fifteen percent (115%) of the annual assessment then in effect, the Board shall call a membership meeting on not less than fifteen (15) days prior notice for the purpose of approving such increase. A majority of the votes, pursuant to Article IV, Section 2, of those Members present and voting is sufficient for such approval, and the assessment approved will take effect at the commencement of the next ensuing fiscal year without further notice to any Owner. If the proposed assessment is disapproved, a majority of the Members voting shall determine the annual assessment for the next ensuing fiscal year, which may be in any amount not exceeding that stated in the meeting notice. Each annual assessment may be payable in such number of installments, with or without interest, as the Board determines. In the absence of any action by the Board or the membership to the contrary prior to the commencement of any fiscal year, the annual assessment then in effect automatically will continue for the ensuing year.

Notwithstanding the above provisions, the assessment may increase an amount greater than fifteen percent without a vote of the Members if such additional increase is due solely to maintenance costs of amenities or recreational features which have been added by the Declarant or Association since the preparation of the last budget and assessment. If any such amenities or recreational features are added, the initial years assessment and subsequent assessments shall be adjusted by the Board to cover the additional maintenance costs.

Section 6. Commencement. The assessments provided by this Article shall commence as to all Lots on the first day of the first month following Declarant's first conveyance of title to any Lot to a third party and shall be prorated on the basis of the number of months then remaining in the Association's fiscal year.

Section 7. Assessment Lien. All sums assessed to any Lot, together with interest and all costs and expenses of collection,

CERTIFIED COPY

including reasonable attorneys' fees, are secured by a continuing lien on such Lot in favor of the Association. Such lien is subject and inferior to the lien for all sums secured by any First Mortgage encumbering such Lot, but all other lienors acquiring liens on any Lot after this Declaration is recorded are deemed to consent that such liens are inferior to the lien established by this Declaration, whether or not such consent is set forth in the instrument creating such lien. The recordation of this Declaration constitutes constructive notice to all subsequent purchasers and creditors, or either, of the existence of the Association's lien and its priority. The Association may, but is not required to, from time to time, record a Notice of Lien to further evidence the lien established by this Declaration.

Section 8. Association Remedies. Any assessment not paid within thirty (30) days after its due date shall be deemed delinquent and shall bear interest from its initial due date at the maximum rate of interest allowed by law. The Association may sue the Owner personally obligated to pay such assessment for a money judgment, or it may foreclose its lien against such Owner's Lot, or both. A suit to recover a money judgment for unpaid assessments may be maintained without foreclosing, waiving, or otherwise impairing the security of the Association's lien, or its priority. No Owner may waive or escape liability for the Association's assessments by non use of the Common Area or by abandonment of such Owner's Lot.

Section 9. Foreclosure. The lien for sums assessed pursuant to this Article may be enforced by a judicial foreclosure in the same manner in which mortgages on real property from time to time may be foreclosed in the State of Florida. In such foreclosure, the Owner is required to pay all costs and expenses of foreclosure including reasonable attorney's fees. All such costs and expenses are secured by the lien foreclosed. Such Owner also is required to pay to the Association all assessments against the Lot that become due during the period of foreclosure, which also are secured by the lien foreclosed and will be accounted and paid as of the date the Owner's title is divested by foreclosure. The Association has the right and power to bid at the foreclosure sale, or to acquire such Lot by deed or other proceeding in lieu of foreclosure, and

CERTIFIED COPY
thereafter to hold, convey, lease, rent, use and otherwise deal with such lot as its owner for purposes of resale only. If any foreclosure sale results in a deficiency, the Association may petition the Court having jurisdiction of the foreclosure to enter a personal judgment against the Owner for such deficiency.

Section 10. Exempt Lots. Any and all Lots from time to time owned by the Association are exempt from the assessments established by this Article during the period of such ownership. This Association may not own or otherwise acquire Lots except (i) pursuant to foreclosure of the Association's lien, or (ii) one Lot for use as a residence by any resident manager for the Property who is employed by the Association or Association's manager.

Section 11. Lien Subordination. The Association's lien established by the Declaration is subordinate to the lien of any First Mortgage. Sale or transfer of any Lot does not affect the assessment lien, except that the sale or transfer of any Lot pursuant to a judicial sale upon foreclosure of any First Mortgage, or any deed in lieu thereof, extinguishes the Association's lien as to payments that became due prior to such judicial sale or deed in lieu of foreclosure, without prejudice, however, to the Association's right to collect such amounts from the Owners personally liable for their payment. No such sale or transfer relieves such Lot from liability for assessments thereafter becoming due or from the lien thereof. Any lienholder may pay, but is not required to pay, any amount secured by the lien created by this Article; and, upon such payment, such lienholder will be subrogated to all rights of the Association with respect to such lien, including priority.

Section 12. Homestead. By acceptance of a deed thereto, each Owner of each Lot is deemed to acknowledge conclusively that (i) the assessments established by this Article are for the improvement and maintenance of any homestead thereon; and (ii) the Association's lien for such assessments has priority over any such homestead; and (iii) such Owner irrevocably waives the benefit of any homestead exemption otherwise available with respect to all amounts secured by such lien.

ARCHITECTURAL COMMITTEE

Section 1. Creation and Composition. The "Architectural Committee" shall mean, as follows: Until all the Lots in Bridgeford Oaks have been fully developed, permanent improvements constructed thereon, and sold to permanent residents, the Architectural Committee shall mean the Declarant, and shall not be a committee of the Association. At such time as all of the Lots in Bridgeford Oaks have been fully developed, permanent improvements constructed thereon, and sold to permanent residents, the Declarant shall notify the Association and all the Owners of Lots in Bridgeford Oaks to that effect, and, thereupon, the Declarant's rights and obligations as the Architectural Committee shall forthwith terminate. Thereafter, the Association shall have the right, power, authority, and obligation to establish a successor Architectural Committee as a committee of the Association in accordance with the Association Documents and prescribe rules and regulations pursuant to which such Committee shall act. Notwithstanding the foregoing, if additional property is annexed and subjected to this Declaration in accordance with Article VIII, Section 9, then, as to the Lots in each subsequent phase, Declarant shall be the Architectural Committee until such time as all such Lots have been fully developed, permanent improvements constructed thereon, and sold to permanent residents, after which the Architectural Committee established by the Association shall take over.

Section 2. Design Standards. The Architectural Committee shall from time to time, subject to this Declaration and the Association Documents, adopt, promulgate, amend, revoke, and enforce guidelines, hereinafter referred to as the "Design Standards" for the purposes of:

- (i) governing the form and content of plans and specifications to be submitted to the Architectural Committee for approval pursuant to this Declaration;
- (ii) governing the procedure for such submission of plans and

(iii) establishing guidelines with respect to the approval and disapproval of design features, architectural styles, exterior colors and materials, details of construction, location and size of any Structure, and all other matters that require approval by the Architectural Committee pursuant to this Declaration.

(iv) establishing guidelines for approval of landscaping changes and maintenance of structures, including roof replacement.

Generally, exterior modifications to the structures constructed by Declarant are discouraged and will not be approved. In reviewing any particular application, the Committee shall consider whether its action will: (1) assure harmony of external design, materials and location in relation to surrounding buildings and topography within the Property; and (ii) preserve the value and desirability of the Property as a residential community; and (iii) be consistent with the provisions of this Declaration; and (iv) be in the best interest of all Owners in maintaining the value and desirability of the Property as a residential community.

Section 3. Review and Approval of Plans. No exterior change shall be commenced, erected, or maintained on any Lot, nor shall any exterior addition to or alteration thereof be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to the Architectural Committee for written approval (i) as to conformity and harmony of external design and general quality with the existing standards of the neighborhood and with the standards of Bridgeford Oaks, (ii) as to the size, height, and location of the Structure in relation to surrounding Structures and topography and finished ground elevation, and (iii) shall be consistent with the provisions of this Declaration. No landscaping may be added to the front yard of any Lot without approval of the Architectural Committee. In the event the Architectural Committee fails to approve or disapprove such design and location within forty-five (45) days after said plans and specifications have been submitted

in writing, the proposal shall be deemed to be disapproved by the Architectural Committee. The Committee may impose a fee for the costs involved with such approval.

Such plans and specifications shall be in such form and shall contain such information as may be reasonable required by the Architectural Committee.

Upon approval by the Architectural Committee of any plans and specifications submitted pursuant to this Declaration, a copy of such plans and specifications, as approved, shall be deposited for permanent record with the Architectural Committee and a copy of such plans and specifications bearing such approval, in writing, shall be returned to the applicant submitting the same. Approval for use in connection with any Lot or Structure of any plans and specifications shall not be deemed a waiver of the Architectural Committee's right, in its discretion, to disapprove similar plans and specifications or any of the features or elements included therein if such plans, specifications, features or elements are subsequently submitted for use in connection with any other Lot or Structure. Approval of any such plans and specifications relating to any Lot or Structure, however, shall be final as to that Lot or Structure and such approval may not be reviewed or rescinded thereafter, provided that there has been adherence to, and compliance with, such plans and specifications, as approved, and any conditions attached to any such approval.

It shall be the responsibility of each Owner at the time of construction of any structure on the Owner's Lot, to comply with all applicable Laws, including without limitation compliance with the construction plans for the surface water management system pursuant to Chapter 40D-4, F.A.C., approved and on file with the Southwest Florida Water Management District.

Notwithstanding anything to the contrary, the Architectural Committee may request changes in any plans or Structures that are completed or being built if required by Law and neither the Declarant nor the Architectural Committee shall be liable for damages.

CERTIFIED COPY

In regards to any plans and specifications approved by the Architectural Committee neither Declarant, nor any member of the Architectural Committee, shall be responsible or liable in any way for any defects in any plans or specifications, nor for any structural defects in any work done according to such plans and specifications nor for the failure of the plans and specifications to comply with any Law. Further, neither Declarant, nor any member of the Architectural Committee shall be liable in damages to anyone by reason of mistake in judgment, negligence, misfeasance, malfeasance or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specifications or the exercise of any other power or right the Architectural Committee provided for in this Declaration. Every Person who submits plans or specifications to the Architectural Committee for approval agrees, by submissions of such plans and specifications, and every Owner of any Lot agrees, that he will not bring any action or suit against Declarant, or any member of the Architectural Committee, to recover for any such damage.

Prior to the issuance of a certificate as set out in section 4 below, any employee or agent of the Architectural Committee may, after reasonable notice, at any reasonable time, enter upon any Lot and Structure thereon for the purpose of ascertaining whether the installation, construction, alteration, or maintenance of any Structure or the use of any Lot or Structure is in compliance with the provisions of this Declaration; and neither the Architectural Committee, nor any such agent shall be deemed to have committed a trespass or other wrongful act by reason of such entry or inspection.

Section 4. Certification by Architectural Committee. At the request of any Owner, the Association from time to time will issue, without charge, a written certification that the improvements, landscaping, and other exterior items situated upon such Owner's Lot have been approved by the Architectural Committee, if such is the case.

Section 5. Violations. If any Structure shall be erected, placed, maintained, or altered upon any Lot, otherwise than in

CERTIFIED COPY
accordance with the plans and specifications approved by the Architectural Committee pursuant to the provisions of this Article, such erection, placement, maintenance, or alteration shall be deemed to have been undertaken in violation of this Article and without the approval required herein. If in the opinion of the Architectural Committee such violation shall have occurred, the Architectural Committee shall notify the Board of the Association. If the Board of the Association shall agree with the determination of the Architectural Committee with respect to the violation then the Board shall provide written notice to the Owner by certified mail, setting forth in reasonable detail the nature of the violation and the specific action or actions required to remedy the violation. If the Owner shall not have taken reasonable steps toward the required remedial action within thirty (30) days after the mailing of the aforesaid notice of violation, then the Association shall have and be entitled to, in addition to any other rights set forth in this Declaration, all rights and remedies at law or in equity. Actions of the Board are final.

Section 6. Partial Delegation to Association. At any time prior to the termination of Declarant's responsibilities as provided in Section 1 above, Declarant may delegate to a committee of the Association the responsibilities of the Architectural Committee with regard to any activities on individual Lots which have been fully developed, permanent improvements constructed thereon, and sold to permanent residents. The Declarant may then retain all other duties of the Architectural Committee with regard to new construction.

Such right of entry shall be exercised in a peaceful and reasonable manner at reasonable times and upon reasonable notice whenever circumstances permit. Entry into any Dwelling shall not be made without the consent of its Owner or Occupant for any purpose, except pursuant to Court order or other authority granted by Law. The Architectural Committee shall review and approve or deny all fence applications based on conditions specific to the site under consideration, and shall take into account the view and vista from adjoining Lots and from Common Area and public areas.

f. ARTICLE VIII GENERAL PROVISIONS

Section 1. Enforcement. The Association, or any Owner, has the right to enforce, by any appropriate proceeding, all restrictions, conditions, covenants, easements, reservations, rules, regulations, liens and charges now or hereafter imposed by, or pursuant to, the provisions of this Declaration. If any Owner or the Association is the prevailing party in any litigation involving this Declaration, then that party also has the right to recover all costs and expenses incurred, including reasonable attorneys' fees for all trial and appellate proceedings, if any. If the Association employs an attorney to enforce the provisions of this Declaration against any Owner, regardless of whether suit is brought, the costs and expenses of such enforcement, including

~~CERTIFIED COPY~~
reasonable attorneys' fees, may be assessed against such Owner's Lot as provided in Article V, Section 4. Failure by the Association or any Owner to enforce any provisions contained in this Declaration does not constitute a waiver of the right to do so at any time. Declarant also has the right to enforce all provisions of this Declaration relating to the use, maintenance, and preservation of the Properties; and, if Declarant is the prevailing party in any litigation involving this Declaration, to recover all of Declarant's costs and expenses incurred, including reasonable attorneys' fees.

The Southwest Florida Water Management District has the right to take enforcement measures, including a civil action for injunction and penalties, against the Association to compel it to correct any outstanding problems with the Surface Water Management System Facilities.

The Association may impose fines against any member, tenant, guest, or invitee, for violation of the provisions of this Declaration or the standards of the Architectural Committee. Such fines shall not exceed \$50 per violation, and may be imposed only after a hearing before a committee of three members appointed by the Board who are not related to officers, directors, or employees of the Association, with 14 days notice to the person sought to be fined.

Section 2. Meeting Requirements. Wherever any provision of this Declaration, the Articles of Incorporation, or the By-Laws requires any action to be approved by two-thirds (2/3) or more of the votes, pursuant to Article IV, Section 2, of membership at a meeting duly convened for such purpose, written notice of such meeting must be given to all Members not less than fifteen (15) days in advance, setting forth its purpose. At such meeting the presence in person or by proxy of Members entitled to cast at least fifty percent (50%) of the votes, pursuant to Article IV, Section 2, outstanding constitutes a quorum.

Section 3. Rights of Mortgagees. By agreement between any Owner and the holder of any mortgage on such Owner's Lot, any and all membership rights of such Owner may be assigned to, and

CERTIFIED COPY
exercised by, such Mortgagee as collateral or additional security for performance of the obligations secured by such mortgage; but no such assignment or delegation will bind the Association until the Association has received written notice thereof.

Section 4. Approval of FHA/VA. Notwithstanding anything contained herein to the contrary, any amendment to this Declaration, the articles, or the By-Laws; or any annexation of additional property; or any merger or consolidation of the Association or any dissolution of the Association; or any mortgaging, sale or dedication of any Common Area, must be approved by the Federal Housing Administration or the Veterans Administration as long as there are Class "B" members.

Section 5. Severability. Invalidation of any particular provision of this Declaration by judgment or court order will not affect any other provision, all of which will remain in full force and effect provided, however, any court of competent jurisdiction is hereby empowered, to the extent practicable, to reform any otherwise invalid provision of this Declaration when necessary to avoid a finding of invalidity which otherwise effectuate Declarant's intent of providing a comprehensive plan for the use, development, sale and beneficial enjoyment of the Properties.

Section 6. Amendment. The provisions of this Declaration will run with and bind the Properties, and will inure to the benefit of and be enforceable by the Association for so long as the Properties are used in whole or in part as a residential community, and in all events, for at least twenty-five (25) years following the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten years. This Declaration may be amended by an instrument signed by members entitled to cast not less than two thirds (2/3) of the votes of each class of membership pursuant to Article IV, Section 2 hereof. No amendment shall be effective which shall impair or prejudice the rights or priorities of the Declarant, or any Institutional Mortgagee without the specific written approval of the Declarant or Institutional Mortgagee affected thereby. Any amendment affecting the Surface Water Management System Facilities or the operation and maintenance of the Surface Water Management System Facilities shall

have the prior written approval of the Southwest Florida Water Management District. During the first two years after execution hereof, Declarant may amend this Declaration by recording an instrument stating such amendment, for the sole purpose of complying with requirements of the Federal Housing Administration, Veterans Administration, or Southwest Florida Water Management District.

Section 7. Easements for De Minimis Unintentional Encroachments. Where necessary and appropriate, Declarant and/or the Association, whichever is in control of the particular portion of the Properties at the time, may grant easements for de minimis unintentional encroachments.

Section 8. Interpretation. Unless the context expressly requires otherwise, the use of the singular includes the plural, and vice versa; the use of the terms "including" or "include" is without limitation; the terms "Common Area", "Lot", and "Properties" include both any portion applicable to the context and any and all improvements, fixtures, trees vegetation, and other property from time to time situated thereon; and use of the words "must", "will" and "should" is intended to have the same legal effect as the word "shall". This Declaration should be construed in favor of the party seeking to enforce its provisions to effectuate its purpose of protecting and enhancing the value, marketability, and desirability of the Properties as a residential community by providing a common plan for their development and enjoyment.

Section 9. Annexation. Within ten years of the date of execution of this Declaration, either Declarant may add contiguous lands to the Property, by the filing of a supplemental declaration declaring such annexed lands to be subject to the provisions hereof, with such modifications and additions as may be applicable to such annexed lands. Upon the filing of such a supplemental declaration, the Lots and lands annexed thereby shall become subject to this Declaration, to the assessment provisions hereof, and to the jurisdiction of the Architectural Committee and the Association. For purposes of Article IV, Section 2, the Lots in the annexed lands shall be considered to have been part of the

Property since the filing of this Declaration. Within ten (10) years of the date of execution of this Declaration, Declarant may remove any lands from the Property by the filing of a supplemental declaration declaring the same, if such lands have not been made part of any residential plat or subdivision or otherwise developed for residential purposes.

Section 10. Rights of Declarant. The following actions shall require the approval of each Declarant, as long as either Declarant shall own a Lot: Amendment of this Declaration, Annexation of Additional Properties, and establishment of any assessment or yearly assessment.

Section 11. Annexation of Bridgeford Oaks into the City of Temple Terrace. By acceptance of a deed to a Lot, all Owners agree, and Declarant on behalf of all of Bridgeford Oaks agrees, that upon the request of Declarant while there is a Class B member, or upon the request of a voting majority of the Association thereafter, or upon the request of the City of Temple Terrace, each Owner shall and does hereby consent to the voluntary annexation of Bridgeford Oaks into the City of Temple Terrace. Each Owner shall execute all documents reasonably necessary to accomplish such voluntary annexation at the request of Declarant, the City of Temple Terrace or the Association as referenced above. This Declaration shall constitute a petition to the City of Temple Terrace by all Owners for annexation pursuant to Section 171.044(1), Florida Statutes, and all Owners agree to again execute such petition as requested by Declarant the City of Temple Terrace or the Association.
